Caskets at Centreville.

The concert last Saturday night in the Town Hall was a success. The audience was over 1,000. It was given by the Executive Master-Scholar of Napanee, under the leadership of Mr. F. C. Clegg, and was succeeded by Miss Mattie Keegan, Belleville, and Mr. C. G. Gandy, of Newmarket. The tickets were \$1.00 each, and the proceeds were \$1,000. The money received was well received; Miss Keegan was most popular, and responded to the audience with great interest. The band, Mr. Hart's, played well, and the dancing was done by Mr. Hart's. The instrumental and vocal selections were of a high order and were well received. The band, Mr. Hart's, and Fred Van-Dyke, Will, Miles and Mather Frank Howwood also came in for well deserved applause.

Attempted Highway Robbery.

On Saturday night last, 25th ult., Mr. Robert W. Denison, a young man of 21 years, son of Mr. and Mrs. Denison, was robbing house from Napanee, about 10 o'clock in the evening. He was armed with the gun of Mr. Stanley File's farm, three men suddenly confronted him, and he fled. They followed him, and another demanding their money or their life. Mr. Denison made a pretence of giving his money to them, and they let him go. To take it, he grasped the fellow by the hair, and struck him on the head with a stone. The third man tried to pull one of the ladies from the buggy, but the other lady struck him on the head with a stone, which caused him to drop the stone. Then he tried to break from the man who was holding him, and got away. The two robbers followed him, and when called to the other to shoot. After such an attempt as this, it is to be expected that the police will be on the alert, and every one should be arrested and condemned.

Public Temperance Meeting.

On Friday evening, Sept. 17th, a grand public temperance meeting was held in the hall of the Temperance Society, during the session of the District meeting of the Royal Canadian Legion, at the corner of Lemoine and Wellington, which was held in Perry's hall during the day. Mr. Alex. L. Thompson, B.A., of Princeton, N.J., Dr. A. D. Woods, and J. G. Gandy, of Newmarket, presided. The meeting was opened by Mr. A. D. Woods, Grand Master of the Order, who was present in a special coat, a very fine specimen of tailoring. Mr. F. L. Walker, rendered in his usual good style, a very forcible speech, and the audience was greatly interested. Miss Watts and Clark and Dr. Motley, of Cobourg, entitled "Down in the Valley," and Mr. F. C. Clegg, who was also a solo and chorus by Miss Watts and others. A musical number, composed by Miss Woods, was given by Mr. and Mrs. Newburgh, with Miss E. Fox Green of Cobourg, and conducted by Misses Chapman and Green and Morris. Mathematics and Survey, and a short sketch of the history of the town, were part of the evening's entertainment. During the progress of the meeting, the police and prohibition generally was submitted to the members of the audience, and the same was held by the largest temperance meeting ever held in Newburgh. The time of the meeting was 8 P.M., and the audience was of all those who have the cause at heart.

The pub department of THE BRAVE is equipped with everything necessary for temperance work, and is in full style, and on short notice. Prices right.
